2. Let's learn more about you

We hope the following questions will allow us to learn more about you. Therefore, spend some time thinking about how you can best express yourself through your answers. Please answer each question on the back of this application.

- Why are you applying to Artemis? What do you hope to learn?
- If time travel were possible, to what time would you travel, and why?
- Think about a time you faced a challenge and then overcame it. Tell us about that time and what you learned.
- Tell us about a few of your hobbies and interests, and tell us why you like them.
- Experience with programming or computers is NOT required to apply. However, we ask you to share how you've interacted with technology in the past (if you have).
- What makes you smile?

As a final part of this application, you must have one of your teachers submit a recommendation form. Tell your teacher to visit the form at <https://artemisproject.typeform.com/to/fLFFrh>.
